## Software As A Service

Cirrus is delighted to offer a new software provision for your HR and Payroll solutions.

We now manage and support a data housing utility at a local state-of-the-art Data Centre. Via the internet, you will have access to your applications whenever you want. This solution allows you to work anywhere, with maximum security guaranteed, as long as you have access to the Web!

Benefits include:

- The sharing of end-user licenses can reduce investment in PC's & Servers
- A safe and secure environment for your key employee data.
- A disaster recovery (DR) solution for your products.
- Access to your products 24 hours a day
- A reduction on your internal costs for servers and maintenance
- Upgrades to your service when statutory or new feature are released will ensure your organisation is always up-to-date with the latest developments
- Cirrus support database administration and backups.

Whether it is Cirrus DART or any other payroll and HR solutions we can help you. If you are interested in this innovative solution, then call us on 0845 675 1500.

## Make Savings with Salary Sacrifice

Several Cirrus clients have reaped the benefits of setting up Salary Sacrifice schemes within PS enterprise®. They have made really substantial savings on their National Insurance contributions. You can do the same for your company by contacting us and finding out more.
